Director Marketing & Strategic Planning Farabi Petrochemicals

Seminar for Students & Staff- 2nd November 2022

Dr. Nesrine Smari—Psychiatrist Mouawsat Hospital

Theme: 'Make Mental Health and Wellbeing for all a Global Priority'

In line with our Guiding Statement, Educational Convictions and Core Values, JIS is running Mental Health Awareness Campaign (MHAC) from 23rd October to 3rd November 2022. This campaign will be organized by the school under the community service and community partnership programs. All stakeholders including students, staff, parents, and community will be participating.

Why is mental health important?

Mental health includes our emotional, psychological, and social well-being. It affects how we think, feel, and act and also helps determine how we handle stress, relate to others, and make healthy choices. Mental health is important at every stage of life from childhood, adolescence through adulthood

What is a mental health campaign?

The campaign aims to raise awareness of mental health issues and mobilize efforts in support of mental health. The World Health Organization recognizes World Mental Health Day on 10 October every year. The theme of 2022's World Mental Health Day, set by the World Federation for Mental Health, is Make Mental Health and Wellbeing for all a Global Priority'. Hence, our campaign adopts the same theme.

Why are mental health campaigns important?

Mental Health awareness campaign will enable us to imbibe awareness of mental health into an organization. They help to increase awareness and understanding of mental health, challenge stigma and foster a culture of openness within a workplace.
